December 2024 Issue

Editorial

Welcome to our Last Monthly BIMSTEC E-Newsletter of 2024!

The Year 2024 witnessed remarkable progress in BIMSTEC's journey towards forging and expanding regional cooperation among its 7 member States, including engagements with its developmental partners and stakeholders and public outreach & diplomacy. We are pleased to share with you **Highlights of 2024**, outlining key developments.

The 24th BIMSTEC Senior Officials Meeting (SOM), which met virtually, made critical decisions pertaining to expanding regional cooperation in various sectors, underscoring the collective commitment of the member States to advancement of cooperation under the BIMSTEC framework. The 8th Meeting of the Sub-Group on Narcotics Drugs, Psychotropic Substances, and Precursor Chemicals discussed the BIMSTEC Plan of Action on Drug Control and the BIMSTEC Annual Drug Report.

I had the privilege of representing BIMSTEC at the 29th Confederation of Indian Industry (CII) Partnership Summit 2024 and the 2nd Edition of Purvodaya Perspectives "Reclaiming India's Maritime Heritage - Perspectives, Prospects, and Prognosis". I also had the opportunity to meet with Dr. Shahidur Rashid, Director for the South Asia Office, International Food Policy Research Institute (IFPRI), to discuss avenues for mutual cooperation.

As we continue our journey in 2025, I would like to reiterate that BIMSTEC remains committed to advancing multi-faceted regional cooperation in Bay of Bengal. We are looking forward to another year of progress in enhancing regional cooperation through a reformed and revitalized BIMSTEC.

We deeply value your readership and welcome your suggestions both to strengthen regional cooperation through BIMSTEC and to improve this E-Newsletter.

I wish you all a happy, prosperous and productive New Year 2025!
